LÉO ET LES BAS
PRESENTS ITS LINE OF
PHONESOCKS
FEATURING YOUR LOGO.

**Looking for a truly original
and attractive gift?**

**Who doesn't own a cell phone or MP3 player?
Who doesn't use them every day? And are they
not expensive, fragile and *worth protecting*?**

PHONESOCKS by LÉO ET LES BAS ...

- * Top quality, **knitted cell phone cases**
- * Terry cloth interior
- * Adapts to all standard cell phone sizes
- * Graphic design created exclusively for you
- * Up to two personalized designs, one for each side of the *PHONESOCK*
- * Industrially manufactured with your logo knitted directly into the fabric

Guaranteed benefits:

- * High visibility for your logo because taken in hand several times a day
 - * Large surface for your personal motif and logo
 - * Cell phone protection from scratches
 - * Reduced damage from bumps
 - * Cold weather protection for cell phone battery
- Did you know that a battery loses up to 50% of its capacity in low temperatures?*

New

By choosing **PHONESOCKS** by **LÉO ET LES BAS** as your promotional item, you are assured to:

- * Offer an exclusive gift
- * Surprise and delight your clients, prospects and employees
- * Give a personal and useful item
- * Receive lasting visibility for your logo
- * Be original, practical and avant-garde

For all occasions:

- * Give to conference or tradeshow participants
- * Distribute at employee appreciation events (e.g. Christmas)
- * Launch a new product or service with an information card inserted into each Phonesock
- * Enhance your sales: use a purchase bonus or game prize
- * Send as a “teaser” to your clients
- * Prospect future clients
- * Use as a fundraising item

Optional: a card with your personal message inserted into the *PHONESOCK*.

Light, small and easily sent by mail.

Custom-made cases for all other electronic communication devices (MP3 player, smartphone, etc.).
